

Marcia Kennedy's Expertise:

I am a Licensed Clinical Psychotherapist and a Licensed Specialist Clinical Social Worker.

- Education Specialist in School Psychology-Wichita State University, 2007
- Master of Social Work, Clinical Track-University of Oklahoma, 1998
- Master of Education in Educational Psychology-Wichita State University, 1997
- Bachelor of Social Work-Wichita State University, 1992

I regularly seek out professional development to deepen my knowledge and apply it to my practice. I am trained in a body-based "bottom up" approach in the treatment of trauma. I hold additional certificates in the following:

- Advanced Certificate of Completion in Training for Adoption Competency
